BACHELOR IN SOFTWARE ENGINEERING

University of Minho • 2020–2023

ONGOING MASTERS IN SOFTWARE ENGINEERING

University of Minho • 2023–2025

EXPERIENCE

VOLUNTEER AT CODERDOJO BRAGA

Mentor and New Mentor Trainer in Python • 2021–Present

- Provided individualized support and assistance to students of varying skill levels, fostering their growth and confidence in coding.
- Demonstrated patience, empathy, and enthusiasm in engaging with young learners, inspiring their interest and passion for coding.
- Designed and delivered training sessions and workshops for new mentors joining Coder Dojo, focusing on Python programming fundamentals and mentorship best practices.
- Developed comprehensive training materials and resources to support new mentors in their journey of becoming effective coding instructors.
- Conducted hands-on demonstrations and practical exercises to familiarize new mentors with Coder Dojo's teaching methodologies and curriculum framework.

VOLUNTEER STAFF SEI 22

2022

- Collaborated with team members to maintain cleanliness and orderliness of event spaces throughout SEI activities. Conduct code reviews and provide feedback to improve code quality
- Demonstrated flexibility and adaptability in responding to changing event needs, ensuring seamless execution of staff duties.
- Provided on-site support during the event, ensuring attendees' needs were met promptly and efficiently.
